

Business Proposal Guidelines - I

- ▶ IEEE Smart Village solicits proposals for the benefit of under-served communities.
- ▶ For proposals to be accepted, we require prior engagement with the community.
Ideally, the applicant should be from the community, or demonstrate a long-term commitment to the community.
- ▶ We look for proposals based on three pillars –
Productive use of Technology, Education and Enterprise.
- ▶ **We provide seed funds to legally compliant enterprises for serving their communities.**
- ▶ **Our seed funds are intended for validating business models.**

Business Proposal Guidelines - II

- ▶ We initially fund up to \$25k.
Upon demonstrated success, we may fund follow-on proposals for up to \$200k.
- ▶ We fund engineering, procurement & construction, supplies, training, local travel etc.
- ▶ We grade proposals on their vision to scale-up to impact more than a million people.
- ▶ We ask that salaries, program-mgmt, international travel be funded from other sources
- ▶ **We are not a charity. We enter contractual agreements with well-described deliverables and staged payments triggered by the achievement of stated goals.**
- ▶ **Our goal is to seed enterprises in neglected communities: Applicant must be prepared to raise additional funds from other sources in later stages.**

IEEE Smart Village: Regional Working Groups

REGIONAL WORKING GROUPS (RWGs): FRONTLINE CONTACT FOR APPLICANTS

Providing...

- ▶ Local presence, local sensitivities, local responsibility,
- ▶ Application mentoring, deployment guidance, ongoing advisory resources, deliverable auditing

Business Proposal Guidelines - III

Develop your proposal with the local IEEE Smart Village (ISV) Regional Working Group (RWG)

Get to know ISV through them, they get to know you

Prepare the following

- ▶ 2-page concept note
- ▶ Lean business canvas
- ▶ 5-year cash flow forecast

The RWG will mentor your proposal and forward to the ISV Project Development Committee (PDC) for their independent review & refinement.

Proposals approved by the PDC are recommended to ISV leadership for contracting.
